Training Method

To meet the legal requirements of people excavating in the highway, UTN deliver a course to meet the City & Guilds criteria. A very hands on practical course with in depth training accompanied with practical assessments.

Additional Information

UTN'S City & Guilds approved centre has a purpose built road area to carry out all the practical aspects of the course. This is complemented by the latest PowerPoint presentation for the classroom sessions.

This course meets the criteria for CITB grants. CITB registered companies will be able to claim £91.00 per person per day for this course. The UTN administration team will give full support for the application of this grant.
