

NRSWA Supervisors

001+010-014+016

Objectives

To gain accreditation to the standards laid down by City & Guilds in line with the New Roads & Streetworks Act 1991 for excavation & reinstatement.

Who for

Any operatives involved in excavation & reinstatement on the public highway.

Course Content

- Unit 001—Location & avoidance of underground Services.
- Unit 010— Monitoring, signing, lighting & guarding.
- Unit 011— Monitoring excavation in the highway.
- Unit 012— Monitoring reinstatement & compaction of backfill materials.
- Unit 013— Monitoring reinstatement of non– bituminous sub-base & road– base materials.
- Unit 014—Monitoring laying practices and reinstatement of cold lay bituminous materials.
- Unit 016— Monitoring reinstatement of modular surfaces & concrete footways.

Training Method

To meet the legal requirements of people excavating in the highway, UTN deliver a course to meet the City & Guilds criteria.

Additional Information

UTN'S City & Guilds approved centre has a purpose built road area to carry out all the practical aspects of the course.

This course meets the criteria for CITB grants. CITB registered companies will be able to claim £91.00 per person for the full course. The UTN administration team will give full support for the application of this grant.

For course bookings call 01924 377379
