

NVQ Level 2 Practical Assessment

Who For

Candidates who have attended the Basic Part 1 and Basic Part 2 courses and have acquired the necessary level of practical experience.

Course Content

The trainee's competence will be assessed in the following area's:-

- Interpreting instructions and information.
- Producing material list and method statement.
- Selecting and checking components.
- The practical erection and dismantling of a cantilever scaffold

Through questioning it will be possible to infer competence across the remaining structures in the relevant NVQ units.

Training Method

The majority of the assessment is based on practical exercises with a small proportion of assessing theory.

Additional Information

This course meets the criteria for CITB achievement grant. CITB registered companies will be able to claim £450.00 per candidate on completion of the NVQ Level 2 in Access & Rigging. The UTN administration team will give full support for the application of this grant.
