

# First Aid is Changing

## What is going to change about first aid training?

*From October 1st 2009 the following changes will apply.*

### *First Aid at Work*

This course will now take place over 3 days instead of 4.

### *Emergency First Aid at Work*

This is a completely new course that is being launched by the HSE. The course will last 1 day and entitle the attendee to gain an accredited first aid certificate.

**Keep ahead of the game, get booked in early**

**First Aid at Work
